

CHRISTMAS 2020

Two thousand twenty's
A memorable year--
Campaigns and rallies
And Pandemic to fear.

Sequestered and closing
Of business and schools
Affected us all
And that's NOT been cool!

Perhaps the tide's turning--
Vaccination's here.
Thank God in Heaven!
You know that He cares!

With this front and center,
Consider the times--
Some things are positive--
Together they rhyme!

Time spent with family--
"To Do Lists" marked DONE!
Appreciate others--
We NEED everyone!

Count all our blessings--
No right to complain.
Each day is a gift!
No day is the same!!!

Amazon's a blessing,
But I miss the stores.
Groceries delivered--
Sometimes I want more!

Texas Convention--
Delegates again.
Impressive agenda
Long distant attend!

Our children are well--
Continuing the good.
Cheryl helps the hungry--
Has done what she could!

Steven continues
To massage away pain.
Melissa's a librarian,
But school's not the same!

Daughter, Julia,
Independent and now,
OKC job--
Her talents are WOW!

James and family
With distant learning,
Croatia's the spot
For SOR journeying.

Jayne and John
Continue the fight--
Warriors for babies--
Abortion's NOT right!

Our life's been busy--
We're building a room.
Steven and Melissa
Are coming here soon.

Summer's the time
Our house will house two.
We will enjoy
Our time with them too.

We had a great garden,
Cut down two BIG trees
. Split wood with neighbors,
Huge piles you can see!

Trips to MDA--
Results have been fine!
Thanks for your prayers
For our God is DEVINE!

Though we're sequestered,
Thank God for T.V.
Church done online
With small group reprieve.

Supplement phone calls,
A letter or two,
Cheers up the lonely
And blesses you too.

Holidays approaching--
We long for our friends--
Loved ones are special!
Our love

Merry Christmas from Martha and Lynn Nored
